**Topic/Description:** ACTS 1-8 – What practical lessons can we learn from the early church? How do these insights fit or not fit into our present day culture? Join us for an exploration of ACTS and how this historical account can impact our everyday spiritual lives.

**\*\*\*Facilitator: Heather Book\*\*\***

**Meeting location:** Former nursery area, off side hallway

**Open to:** Ladies of all ages

**Topic/Description:** GIDEON - Sometimes a different outlook is all you need to pick up your flagging faith from the floor of your wine press and take the next step. Gideon didn't believe that he was particularly capable or brave, but God was patient and drew out of a doubting man the belief that all things were possible with God.

If you've ever felt impotent, insecure and insignificant, then this study is for you. Join Gideon on the journey God began in his life, the one that took him from cowering unbelief to a mighty warrior. God showed him a different perspective that kindled a holy desire in his soul to embrace his God-given identity. And God can do the same empowering work in you.
